

An Evening of Inspiration

with

Mark Hoog

Author, Storyteller, and Youth Motivational Speaker

Being called Mom or Dad will never be the same!

Through simple stories powerfully told, Mark will guide you on an enchanted tour through his exclusive *Growing Field*.

You will leave inspired to make your signature on the world and to share with your child the ideas, beliefs, and behaviors necessary for living life without limit!

"Thank you for a day I will never forget. I was moved, inspired, and motivated to keep following my passion: fighting to make our children's elementary experience the best it can be! I saw transformation in my children...I saw children who have been told they have nothing to give, blossom."

-Marki Cook, Paloma PTO President

"We take our children to many author book signings and library events. But nothing can match their exuberance in coming home from your presentation at Sierra today. Words fail me, except for 'Thank you.'"

-Aerin Bender-Stone, Arvada, CO
